Brickwork. 10 / 10
Very professional, work done in no time and very happy. **Customer in Preston, 24 September 2016**

Billy solved a complex problem affecting our property which was dampness caused by rain seeping through brickwork. He installed a system to prevent this happening then pointed the brickwork to finish the job and the problem is no longer there. 10 / 10
Excellent skilled work by Billy and his team! Despite the heavy rain driving against the wall this winter no water/dampness has reoccurred inside our property. The system he installed has worked well. **Customer in Blackburn, 19 September 2016**
