#### Garden renovated from weedy wasteland to patio and shingle/plantings

9.5 / 10

The work was done to a very high standard (for a reasonable price) by very reliable, courteous and personable guys, who one felt safe leaving with keys/access to the house and who had an extremely good work ethic (I was around a lot and I don't think I ever saw them stopping completely - a pretty rare quality). The work was slightly over the quote, but only because our requirement changed, and I was kept informed throughout. The head chap - Jeff - always picks up his phone, also a rare quality. One recommendation - if you do choose them, screw them down to a date - I suspect they are very popular and busy (for obvious reasons), and also (though this is a guess) that they take a bit longer over jobs than they expect because they seem quite meticulous about detail and getting the job done correctly, rather than just quickly, so I would push to get a start date agreed sooner rather than later. Highly recommended. **Customer in London, 17 November 2011**
