Paul fitted the floor to an extremely high standard with a beautiful finish. He kept me informed at all times, was very polite and friendly. The attention to detail was as though Paul were fitting it for his own home. **Customer in Peacehaven, 30 April 2012**

#### New hall carpet and underlay following flooding

10 / 10

After flood damage, Paul came in and assessed the work without us on site. He recommended a cost effective solution so as not to have wastage and laid a new carpet and underlay. We did not inspect the work or choose the carpet until the weekend after he finished - but the workmanship was excellent, the choice of carpet superb and it felt better than before. Thank you **Customer in Hove, 6 April 2012**
