Laying Karndean floors in kitchen/diner/utility rooms, ground floor hall and WC and 3 bathrooms. 9.8 / 10
The work was carried out to a very high standard and we are delighted with the finished product. The workmen worked very hard indeed and all the representatives of the company have been unfailingly courteous, true to their word and a pleasure to deal with. **Customer in Hastings, 29 September 2011**

Carpeted hall stairs landing and front room 10 / 10
Came when they said they would and did a brilliant job, they couldn't get it right by our front door (due to shoddy installation of front door) and the fitter was disappointed with the finish and apologised, wasn't his fault though. The guys were friendly and polite they came with everything they needed. It was a pleasure dealing with the fitters and the staff in the shop. They will be doing the rest of our house. **Customer in Battle, 4 August 2011**
