Paul originally came to us to design and build a fitted wardrobe in one bedroom, and he stayed to do joinery throughout the house! Two built in wardrobes, Floating shelves, New oak bannister rails, ten doors fitted.....AND a fitted kitchen! Fantastic work. Great eye for detail. Always pleasant to deal with. Clearly explained prices. A great team. 100% recommended. **Customer in Epsom, 21 April 2012**

Fitted wardrobes built in our loft bedroom

Paul and the guys working for him have done a fantastic job for us - our new wardrobes look amazing. They were friendly and professional right from the first meeting and went out of their way to ensure minimum disruption to us whilst the work was done. They were also the tidiest tradesman I think we've come across! Would definitely use them again and wouldn't hesitate to recommend. We were so pleased, we also used the painter and decorator Paul recommended (Tom), who also did a great job. **Customer in Epsom, 27 February 2012**
