Most Recent Customer Feedback

Clearance and Improvement Works, fitting trellis and gate

10 / 10

An excellent team provided a first class service, all to time and budget. It was great to have such a pleasant, hard working and reliable couple of guys on the project who were unobtrusive but kept in close touch to ensure that work progressed smoothly throughout. We were delighted with both their standard of workmanship and the completed work, and would have no hesitation in using their services again or recommending them. **Customer in Southampton, 21 October 2011**

Removal of some hedging, ground clearance and new trellis

10 / 10

The work was a continuation of previous garden work. It was, again, an excellent job. This firm does what it says, when it says it will. The staff are excellent and always helpful. **Customer in Southampton, 5 October 2011**

Landscaping plus deck and fencing work in both the front and rear gardens

10 / 10

Excellent workmanship from Andy and Sam. They were extremely polite and courteous, something which is seen less and less these days. I would not hesitate to recommend this company. Even my neighbours commented on how hard they worked! **Customer in Southampton, 13 August 2011**

Clearing garden, redesigning and landscaping

9.3 / 10

A pleasure to work with. Very professional from start to finish **Customer in Winchester, 1 August 2011**

Landscaping of back garden

10 / 10

We chose to go with Bespoke Landscapes for redesigning and landscaping our garden not because they were the cheapest but because Ben Johns was able to offer more than just doing what we thought we wanted and to come up with a creative design for the space that met our needs in terms of function but was far more creative and attractive than we

could have envisioned ourselves. The work was carried out with great care and professionalism; and with regular interaction with us in order to check it was proceeding as we expected or to consult us on any alternatives to the original design. The team of guys were very friendly and courteous. They were very tidy as storage/working space was limited and so they cleared up the car port every evening so we could park again. We are very happy with the results - we have now have a wonderful garden! **Customer in Waterlooville, 1 July 2011**
