Put down and fitted sleepers then filled with gravel. Ground had to be prepared prior to this 10 / 10
Very nice people, turned up on time. My garden looks transformed. So pleased I found them in Checkatrade **Customer in Woking, 4 May 2012**

Driveway and fencing 10 / 10

The work was carried out to a high standard in very wet conditions. We are delighted with the final result and are really grateful for the advice we were given at the original design stage. Neighbours and strangers walking past have stopped to comment on how nice the overall effect is. **Customer in Dorking, 4 May 2012**

Rear Garden Returfed and Patio Cleand and Sealed 10 / 10

Matthew's landscaping works are first class, timely in attending, respectful of your property and accommodating when arranging visits and working times. We had our rear garden lawn, stripped, rotovated, leveled and returfed which Matt and his team completed in one long day. We were so pleased with Mathews approach to work, we invited him back to clean our patio and paths and seal them. Thanks for your new lawn advice, especially as we head into a drought and hosepipe ban. We would certainly recommended him and his team. Cheers Matt. **Customer in Guildford, 20 March 2012**

Driveway block paved 10 / 10

They were very professional, hardworking and punctual, polite, clean and tidy and I would recommend them to anyone. **Customer in West Byfleet, 16 January 2012**

Replaced 2 panels of fencing and a wooden gate and replaced posts and furniture 10 / 10

Matt had injured his back and could not do the work himself. He arranged for 2 skilled men to carry out the job, they were efficient and polite and courteous. I mentioned there was a knot in the top of the gate and Matt arranged an immediate replacement. The men worked well against the rain later on in the day. I would recommend this company for price and workmanship. **Customer in Woking, 19 December 2011**
