#### Tiling a bathroom

10 / 10

I wanted my bathroom re-tiling and Michael was recommended to me by the plumber I had chosen. I wanted the tiles putting on 'diamond style' which was more difficult and time consuming than 'square style'. Michael worked really hard to get the job done and despite the difficulty of a small bathroom he made a wonderful job of it. He was also very likeable and hardworking. I would definitely recommend him needing tiling work done. **Customer in East Grinstead, 9 December 2011**

**Fitting new shower and tiling**

10 / 10

The job turned out to be a lot more work than was initially anticipated. The additional work that was required and the reasons why the work had to be done was explained clearly. The work was completed to a very high standard and I would not hesitate to use Bluebird Tiling in the future. **Customer in Haywards Heath, 19 November 2011**
