**Replacement roofs to two flat roofs, one being the extension and the other being the brick built shed.** 10 / 10  
Right from the start, Bob and his team were very polite, courteous and punctual. The work itself, took approximately one and a half days, and all aspects of the work went well. The team completing the work turned up when Bob said they would, and all acted in a very professional manner, and kept the work area clean and tidy as they went along. I would certainly recommend Bob and his team of men. **Customer in Gosport, 12 October 2011**
