 Fully involved in design and manufacture, able to adapt design to improve appearance. Construction of cupboard to specific height to allow ironing board storage etc. Professional design company used to ensure full compliance with planning regs etc  
 Finished to a high standard, fully varnished to enhance woodwork, treads fully carpeted!! Looks wonderful! **Customer in Wokingham, 20 January 2012**

**Loft conversion, complete roof rebuild** 10 / 10

It was a big job and they arranged for all the relevant trades to work around each other to get an excellent finish and job well done. Covered all aspects from demolition and removal of the old roof, to the complete reconstruction, including recycled goods where possible to maintain the appearance, dormer windows, staircase design and build, together with the plumbing and heating issues for the two new rooms. Highly recommended, they even bring their own tea makings and toilet! **Customer in Wokingham, 20 January 2012**
