#### Ground floor flat refurbishment and Boiler replacement

10 / 10

I asked Bright Property Solutions to provide me with a quotation for the refurbishment and boiler replacement for my ground floor flat I wished to let. They were not only the most competitive but also the most thorough and communicative. The work was carried out quickly and professionally with a nice finish and although there were some unforeseen circumstances Bright offered advice and resolved any issues with minimal extra cost. I would look to them again should I require any further work. **Customer in Shoreham-by-Sea, 1 December 2011**

Fantastic workmanship finished promptly to a high quality. Very minimal impact on rest of house, kept room tidy. Completed work very quickly and did all problem areas as asked (odd shaped walls re-moulded, tricky fireplace etc) Highly recommended, value for money, pleasant workers whom we would certainly use for future jobs. **Customer in Worthing, 21 June 2011**

Bright property solutions recently plastered my whole house to a very high standard, from quote to finish James communication, attitude to work and knowledge were very commendable and played a vital role in transforming my

I was very pleased with the hours worked each day as well as the productivity, I required extra work doing during the job and feel I was well advised on what exactly needed to be done and how much it would cost and am pleased with the finish. Also I must say they are the tidiest plasterers I have seen he left the house as he found it each day.
