Transform garden

10 / 10

Shane and his men come highly recommended myself and my sister are having major renovations done to our parents property and the garden was going to be a big problem which we were going to tackle ourselves, but then Shane came to our rescue and produced something we could never in our wildest dreams have done ourselves. Thank you so much for everything you have done, and in so little time as well. Sue and Julie **Customer in Southampton, 23 October 2011**

Installation of a new kitchen.

10 / 10

I have just had my new kitchen installed by Shane and his team and I couldn't be happier. They were professional, courteous, friendly and went out of their way to make sure that my wishes were adhered to even when they hit snags. I have already recommended Brightside Property Services to friends and won't hesitate in using them again.

Tree and Overhanging Tree Branch Removal

10 / 10

Shane removed a large tree from the bottom of our garden and a smaller one from an adjacent patio. He also cut back several branches that were overhanging from next door's property. From the beginning, and all the way through, he was polite, courteous, and extremely accommodating. The trees and branches were removed and disposed of without damage and our garden was left in a meticulously clean condition. I would have no hesitation in recommending Brightside Property Services for this sort of work.
