#### Replacing 6 forty year old fence panels

10 / 10

When partly rotted fence panels blew down in overnight gales into my neighbour's garden, I contacted Bryant for an estimate having found their name on the Checkatrade website. Having already been quoted a price by another firm, when Mark Bryant arrived the same day he emailed his estimate which I had no hesitation in accepting. The work was carried out 5 days later on a Saturday morning and was completed to my entire satisfaction. I would recommend anyone to contact Bryant for their friendly, speedy and efficient service. **Customer in East Grinstead, 14 January 2012**
