Decorating. Stripping floors and plastering

10 / 10

Paul and Roger were a pleasure to have around, polite and tidy, the quality of the work was of the highest standard. 4 rooms are now redecorated, this included plastering, woodwork, wallpapering, painting and the stripping and finishing of the wooden floors. Nothing was too much trouble, even when I changed my mind over the colour I had chosen for the walls, (after they had already been painted) ! We would highly recommend, in fact they are due to return for more work!
