Refitted Bathroom

10 / 10

We had quotes from several companies and albeit Bubbles were both the cheapest quote but they came across as a proper company who backed their installations with a 5 year guarantee. We had a home visit the same day we spoke to them and the quote was turned around and fully itemised within 24 hours. The bathroom was fully fitted in 5 days and the finish exceptional, a real quality job. The tradesman were really friendly and they really helped us work around the fact it was the only toilet in the house, never leaving us without facilities. Security and trust is a big issue for us but we were totally happy leaving the guys working in the day whilst we were out. A couple of small snags were quickly rectified. They cleared all mess and tools away every day and hoovered regularly to avoid dust travel. The office were always available by email / phone whenever we had a query and Kate kept checking we were happy with the progress. The imagination in their design, finish and the customer service really were amazing and we are totally convinced we got the best value in town, and would happily recommend them to anyone! We will use them again in the future! **Customer in Basingstoke, 20 December 2011**

Bathroom and cloakroom refit

9.8 / 10

Very pleased with the work carried out, especially the tiling in the bathroom which looks fabulous. Would happily recommend Bubbles for similar projects. Good value for money and an excellent finish. **Customer in Newbury, 16 December 2011**

New Bathroom

10 / 10

Our experience of Bubbles Bathrooms has been excellent from start to finish. The quality of the work carried out by the fitter Mick has been second to none. He was always there when he said he would be. The attention to detail he showed was superb. He always asked if we were happy with anything he was going to do before commencing the work. We are delighted with our new bathroom and would like to thank all the staff at Bubbles, Mark, Kate and Mick for making it such a seamless process. If you are looking to have a new bathroom I would not hesitate in recommending Bubbles Bathrooms, you will not be disappointed. **Customer in Camberley, 28 November 2011**

Complete refit of Bathroom incl. Adding a shower and refit cloakroom

10 / 10

The work was done on time. I had a call before the work was started then twice during the work to ensure all was going well. The fitter was very good and cleaned up every night and ensured at no time were we without water or WC. **Customer in Basingstoke, 5 September 2011**

Replace family bathroom and install wet room

10 / 10

Bubbles have been extremely professional in every aspect from design and quotation involving Mark to project management from Kate and excellent and friendly installation work from Mick. The team are approachable, flexible and willing always to consider the customer views. We changed our minds a few times during installation and it was never a problem. Mick is a great asset to Bubbles, he is a chirpy perfectionist with real ambition to carry out a quality job. He is extremely tidy carrying out his work, will regularly check you are happy with progress and nothing is too much trouble. The result for us is a great bathroom and wet room, never have two rooms received so much pride and joy, we regularly find ourselves in there to just admire them! **Customer in Woking, 12 August 2011**
