External back porch.

10 / 10

We had a external porch constructed to our cottage the builders kept in mind the age of the property and built the porch in keeping, their intention to deal was impressive. They were totally reliable, punctual and polite at all times. I would definitely recommend them to other customers. On completion the area was left clean and tidy with all rubbish removed.

Ian and the team were friendly and professional. We felt confident to leave them in our house while we were away and were impressed with Ian's common sense, approach and the decision he made on our behalf. Really pleased with the work.
