Almost total refurbishment of a one bed flat in Stoke Newington including new bathroom and kitchen 10 / 10

I would not hesitate to recommend Greg and his team. I am very happy with the work they have undertaken for me. From the original quote, to useful ideas offered, time taken, value for money (they finished a week early and to the original budget) helpfulness in sourcing/taking delivery of materials, communication about the works and the finished work has all been first class. I hope to work with Greg and his team again in the future. **Customer in London, 25 January 2012**

Major renovation of house 10 / 10

I would not hesitate to recommend Greg and his team. I found him via this website, and have no complaint with his work whatsoever. He stuck to his quote, and was very reasonable with other additional works that cropped up. His team was polite and friendly, and worked hard 6 day weeks. Job included: New walls throughout, re-plastering throughout. Full rewire, plumbing/boiler installation, windows, wall removal, installation of skylight/support and retiling. Fitted kitchen + advised on kitchen, new bathroom including toilet move, concreted/tiled new path, patio and shed base, constructed shed, sanded floorboards throughout, decoration throughout, new window frames, other joinery. All rendering outside, including painting, and new drainpipes where needed. **Customer in London, 20 November 2011**

Plastering of ceilings and walls round the house, fixing a roof and fixing skirting 9.5 / 10

When Greg visited for an initial survey to give us an estimate on how much everything was going to cost he was very accurate and he described everything in detail that needed doing. He was very happy to answer any questions we had. Also, the work was finished well within the time scheduled. **Customer in London, 15 November 2011**

Loft insulation, bathroom replacement, exterior and interior decoration. 10 / 10

Very timely, professional and good quality. Highly recommend. **Customer in London, 22 September 2011**
