Faulty immersion heater

10 / 10

Richard attended our minor emergency within three hours, diagnosed and fixed the problem very efficiently, and charged a very reasonable call-out fee. I will use Buxton Heating again and recommend to anyone requiring a first class plumber.

Combi boiler and radiators

10 / 10

A massive thank you to Richard and his team for the excellent work done to my house. Was very happy with the quote and there were no hidden extra costs. Everything was fully explained. The quality of work is outstanding and the work was done to my exact requirements. Thank you to Steve for doing such a fantastic job. He worked hard and put in long 10 hour days to get the job completed in time. Very professional and impressed with their extensive knowledge and perfect service. Would definitely recommend Buxton Heating!! Extremely pleased with the outcome - Thank you!!!

Replacing old boiler, with new Combi Boiler - removing the then defunct water tanks and moving a radiator

10 / 10

Really superb - cannot fault them! Very knowledgeable and honest in helping us make decisions - not letting us waste money unnecessarily, but steering us towards better quality products. They were really tidy and efficient, did the job professionally and quickly.
