Paint 4 rooms, lay oak floor in porch

10 / 10

Alan and painter Paul punctual and tidy, kept to our plan and completed on time. Always arrived on time and worked through the day and more importantly kept my wife happy which is always a bonus. Made sure we were satisfied, which was good. We have already asked them to do some more work. **Customer in Burgess Hill, 26 April 2012**

Fitting new kitchen

9.8 / 10

Alan worked very well and it turned out to be a rather challenging job as the room hadn't been a kitchen before. He had a lot to work around as my measurements were wrong in places, but he managed it and kept his sense of humour! **Customer in Haywards Heath, 23 December 2011**

Eight Pine Doors

Construction of cupboards and shelves in living room

Alan was efficient, tidy and timely. He provided work of a very good standard, on time and on budget. We will certainly be using him again. **Customer in Haywards Heath, 26 October 2011**

New Kitchen/Utility Room

10 / 10

Alan transformed my out-of-date long narrow kitchen into a modern kitchen/utility room. This also included the knocking out of a wall and building a wall between the kitchen and utility. All was completed to a very high standard and without fuss. Nothing was too much trouble and although the job threw up many challenges Alan found a way around the difficulties and made it work such that I now have the kitchen and utility that I want. The job took longer because of this

but at no extra cost from the original price. I have to say that I love the look of my new kitchen and utility room but best of all both rooms are now so workable and its a pleasure to use them. I would wholeheartedly recommend Alan and will be calling on him again myself to come and fit some news doors soon. **Customer in Crawley, 10 October 2011**
