Took all the hassell out of getting a new bathroom. We asked for a nice bathroom at a reasonable price and we got.....An beautiful bathroom at an excellent price. We would recommend and use again. **Customer in Basingstoke, 5 April 2012**

Repaired two low-level toilets with new cistern mechanisms

10 / 10

Chris was absolutely brilliant. When I made the initial call to him and left a message on his answerphone he returned my call within 24 hours. He made the appointment and we discussed what work might be needed. I thought I would need new cisterns but he managed to fix with a universal kit. He also descaled the pans and explained what he was doing. I was so impressed I am going to get him to do a wet room. If you have been putting off that repair job Chris is your man! **Customer in Newbury, 27 March 2012**
