#### New Block Paved Driveway

10 / 10

CJM started the job on time and completed the task on Friday as forecast despite some very poor weather conditions. The team were always tidy and courteous and made me feel like a respected customer. I believe, as do my neighbours, the quality of the work is of a high standard. CJM have my fullest recommendation and I hope they gain more local jobs as a result of the excellent work they have done for me. **Customer in Horley, 17 June 2011**

From the first contact Chris provided friendly, professional and sound advice and also gave us a competitive quote for the job in hand. Chris and his team proved to be extremely reliable and very hard working in testing weather conditions! All work was carried out with care and to a high standard without going beyond the original quote. I would recommend CJM to anyone thinking about having a new driveway! **Customer in Horley, 14 January 2011**
