A good basic plumber, rather slow, but fairly reliable. Would use again for fixing taps, etc., but not for a major project. Not recommended for tiling. **Customer in Guildford, 28 March 2011**

Fitting a new shower, removing old shower, removing tiles from 1 wall, installing new shower and re-tilling the wall. 10 / 10
Chris was punctual. If he knew he was going to be late arriving he would always phone to let me know. He was very polite and courteous and I felt I could trust him to be alone in the house while I had to go to work. He quoted a price and there were no hidden costs. I would definitely use Chris again **Customer in Godalming, 7 December 2010**
