Sand and seal living room floor. 10 / 10
More than satisfied with the work done, good company with good advice which helped me. Well done. **Customer in Reading, 10 May 2012**

Installation of quick step flooring in bedrooms, plus sanding and oiling original floorboards 10 / 10
Very pleased with the prompt, friendly and professional service given by Douglas and Steve. The quality of the work was excellent and everything was left clean and tidy. They even cleaned a carpet free-of-charge and moved the furniture back into one of the rooms for us as we were out. Jo in their office is really helpful and they are completely trustworthy - left them our key as we were away for one of the days. Would highly recommend and we will be using them again.

Removing patch of concrete in parque floor and inserting new wood blocks 10 / 10
Excellent from start to finish. Polite and efficient on initial contact, quick quote and very fair price, excellent workmanship. I will definitely be asking them to return to sand and seal the floors in a couple of months. **Customer in Godalming, 3 May 2012**

New floor and skirting fitted to hallway and kitchen and dining room 9.8 / 10
Excellent job, took a little bit longer than expected but a great new floor. It's so good I don't want to put furniture back.
