Most Recent Customer Feedback

New television aerial, pole and bracket. 10 / 10

Very courteous and good time keeping. Explained all we needed to know and also tried to retain existing aerial but was too rusty. Good service all round. **Customer in Worthing, 17 January 2012**

Repaired broken Aerial due to stormy weather 10 / 10

After checking Ian's feedback, I phoned him to obtain a quote, as soon as I spoke to him, I realized that he was a person I would get on well with. Due to the windy weather we had to postpone the repairs a couple of times, but Ian always informed me well in advance. When he eventually carried out the repairs, he did a splendid job, talking to him was like he was an old friend, A very nice person indeed. I can highly recommend Ian Parkin without hesitation, as I am sure he will not disappoint anyone. **Customer in Shoreham-by-Sea, 9 January 2012**
