Fantastic job - very prompt, polite and helpful. Very reasonable price compared to alternative quotes. The floor is now a work of art - it will seem a shame to put anything on it. **Customer in Surbiton, 17 January 2012**

This company offer an excellent service from beginning to end. Huw Carson set up the installation perfectly, offering detailed advice and unparalleled customer service. His team of Martin, Vlasti and Adrian were especially amazing. They planned a difficult installation meticulously and achieved an incredible result. The floor looks like a work of art. They worked incredibly hard and patiently and were a pleasure to have in my house. Their attention to detail was very much appreciated. They were very ambitious for the project. I would give them all the highest possible recommendation. **Customer in Esher, 19 December 2011**
