Patterned concrete driveway and path 9.8 / 10

Did exactly what it said on the tin! Came when they said they would, did what they said they would in the time they said they would. Wayne rang me every day after he had been. Absolutely first class job, and have already had several people comment on it. They even put some extra decorative stones by my fence and did not charge me. **Customer in Coventry, 28 October 2011**
