Bathroom refit

9.3 / 10

We found Tony on Checkatrade and selected him based upon his comments received. Though only a small bathroom with a number of challenges faced Tony was never phased and has delivered exactly what we asked for; he kept the price to the estimate made and dealt with any issues raised positively and to our satisfaction. Definitely would recommend him and to demonstrate this we will be using him again for our ensuite next month. **Customer in Guildford, 23 May 2012**
