Most Recent Customer Feedback

New conservatory

8.8 / 10

Work was complete to a high standard for the price quoted with no additional requests for money. Very good quality workmanship and Martin was easy to deal with. The conservatory trade contractor and other trades were managed well and only good trades were employed. Would recommend **Customer in Chichester, 15 October 2011**

Loft conversion into 2 bedrooms and creation of 4m dormer

10 / 10

Martin and his team were highly competitive with regard to quotes, always courteous and highly organised in the way that tradesmen inc electrician, plasterer, roofer were efficiently deployed. From the day Martin gave an estimate I knew that I would be using him for my loft conversion/dormer. I had to do very little as Martin was very creative in the way he used space and maximised the new living area. Quite simply excellent. I would use this company again and recommend to everyone. He is going to be a busy man in few months and rightly so **Customer in Chichester, 27 September 2011**

Oak flooring throughout ground floor of house, fitting kitchen and cedar decking to exterior

9.5 / 10

Martin and his team originally fitted cedar cladding to the front exterior of our house. We were extremely pleased with the result so we asked him to undertake the remainder of the carpentry for our renovation, and we were delighted with the work carried out. It was a large job but was completed quickly and efficiently to a high standard. **Customer in Chichester, 14 August 2011**

New fitted kitchen and oak flooring throughout House

10 / 10

Chichester Carpentry completed everything asked of them and was very happy with the job. Wouldn't hesitate to use again. **Customer in Chichester, 10 August 2011**

Roof extension, roof timbers and tiling

9 / 10

Hard working, very polite and completed work to schedule. Would recommend to others. **Customer in Petworth, 7 June 2011**
