Replace Slates, and corner bit. Seal leadworks. Fix leaky guttering 10 / 10
Chris came round to give a quote the day after I phoned him even though it was a Saturday, and then the work was done within a week without me needing to take time off work to be there. His quote seemed to be very reasonable and he stuck to the quote even though more slates needing replacing than he thought when he gave me the price. I'm very happy with his work, and will use him again if/when the next storm comes along. **Customer in Peacehaven, 1 March 2012**
