Sun room roof leak fixed; blown down fencing reinstated; roof tile put back in place 10 / 10

Both Paul and Mark spent an hour using a hose, to determine where the leak in the roof was coming in. This was on their initial visit to give estimates! Their workmanship is second to none. They are meticulous in all they do and a credit to their trade. We would recommend them to anyone and we intend having them back to do further work for us this summer. **Customer in St. Leonards-on-Sea, 24 January 2012**

NEW KITCHEN 10 / 10

CK Developments were fantastic when carrying out the job at my house. I had a wall knocked down, which made my kitchen 3 times its original size. At all times, they were professional and very tidy workmen. The total cost of the job was just under the estimate that they provided, and they finished 1 day ahead of the 5 week estimate given. I am having future work done on my house, and I will be using CK Developments to carry out this work. **EXCELLENT JOB GUYS!!!! Customer in St. Leonards-on-sea, 5 October 2011**
