Fitted new Worcester boiler and new radiator in downstairs cloakroom

10 / 10

Adam supplied a quote for a new boiler and answered emails in a timely manner. He turned up when he said he would which was excellent because there is nothing worse than waiting around for workmen who turn up 2 hours after they say they will. Dust sheets were put down to cover the carpets whilst they were working. I don't think they stopped for lunch. We now have a 'flushed' system, lovely warm home and hot water! Thank you Adam for your excellent service. **Customer in Ashford, 11 May 2012**
