Hall carpet, large lounge rug and bedroom carpet cleaned

Using a Groupon voucher I was sceptical when I booked for the work to be done. Charles arrived promptly at 7pm to give me the estimate and was extremely cheerful and enthusiastic, despite having been on the go since early morning. There was certainly no distinction made between myself and a 'full paying customer' as I had feared there might be. Barry arrived on the agreed date within the two hour window given and could not have been nicer or more efficient. Nothing was too much trouble, indeed he went above and beyond what was asked of him, leaving me with wonderfully clean, refreshed and brighter carpets. I would not hesitate to recommend Clean Plan Services to anyone. **Customer in Southsea, 21 October 2011**
