Knock through kitchen to living room to make open space

Reliable, eager to help in any way, traditional builders with long serving, trustworthy specialists. Second time we've used them. Never disappointed. **Customer in Surbiton, 1 December 2011**

Service domestic boiler and replace heat shield, refit shower pump

10 / 10

Visited us on three occasions, always punctual and tidy. Kept us informed on progress of work and of costs. All Works completed at quoted prices. Visits:

1. Service boiler. 2. Replace failed Shower pump supplying upstairs bathrooms
3. Assess fault on second shower pump supplying down stairs guest bathroom. Third visit because of noisy shower pump, contacted manufacturer for trouble shooting advice, which was not very helpful only recommended replacement, so he made a number of alternative and more cost effective suggestions. Best option was to run shower of recently replaced pump - a neater solution and saved us the cost of a new pump. (approx £120) **Customer in Lymington, 28 October 2011**

Brick porch built, with fitted door and window, and pitched slate roof.

10 / 10

Apart from a one day delay in starting, the job was managed and carried out beautifully. Really reliable workmen and all very hard working. It was not a problem for them to fit a slightly odd door, and great care was taken over the finishing bits. We have since had many complementary comments and requests for the name of the builder. **Customer in Kingston upon Thames, 19 July 2011**

Remodel bathroom

8.8 / 10

Dave and his team remodelled our bathroom. This involved removal of the old suite, demolition of a brick wall and making good. All of our requests were taken on board and the workmen were very well skilled. Really pleased with the result and the experience of using Clokall's was painless. **Customer in Kingston upon Thames, 1 July 2011**
