Most Recent Customer Feedback

Enlarging and improving current driveway by removing small lawn, creating new flower bed, renewing edging of existing beds and installing shingle and block paving. 10 / 10

We were regularly kept informed of the potential start date, which necessarily shifted depending on weather and commitments. We couldn't fault the way they worked and are impressed with the final result. A very good job for a fair price. **Customer in Emsworth, 20 January 2012**

New driveway and front garden in blockpaving 10 / 10

The job was done expertly with no fuss. We were both very satisfied. **Customer in Emsworth, 8 December 2011**

Shingle and Paved driveway 10 / 10

First class. Rob and his team started on time, kept us fully informed at each stage and gave good advice on final choice of materials. The quality of their work excellent, as was their manner and general site organisation. We would readily recommend CCS to our friends and neighbours and all who read this feedback. **Customer in Emsworth, 20 October 2011**

Replacement of existing block drive and front boundary walls 10 / 10

The laying of the new block drive was a big job of 89 square metres. The result is stunning, far exceeding my expectations, and has been complimented on by my neighbours. The drive work was done by Rob and John; the rebuilding of two 9 metre low walls was carried out by Gary, Jim and Brad - all excellent professionals. All work was carried out to the latest standards, including drainage requirements, and the best quality materials were used. I am

happy to thoroughly recommend Peter Frettsome and Contract Construction Services. **Customer in Emsworth, 12 August 2011**
