#### Front door gloss painting

10 / 10

Darren was absolutely brilliant. A real craftsman and the sort of guy that you know is out there but gold dust when you find them. Darren advised and help us with some of our own painting but worked fast and answered all our questions and really showed his knowledge and experience. Very neat and tidy and would recommend him to anyone and have already asked him to quote on some other work we need doing - his prices are very competitive and this coupled with his skill mean that you really don't need to go anywhere else. A thoroughly decent guy. **Customer in Woking, 15 November 2011**
