#### Fit kitchen units and fix bathroom radiator

Malcolm did an excellent job. The place was cleaner when he left than it was before he started ! Our kitchen looks lovely. I would definitely use him again and recommend him. **Customer in Uxbridge, 11 November 2011**

#### X2 Bathroom refurb, wood flooring, doors, lights

10 / 10

Malcolm was very efficient and a pleasure to have around. Over the past two months Malcolm has refurbished our main bathroom (tiling, installed a new bath/shower, basin and toilet), installed a new toilet and sink downstairs. He has also pulled the carpet up in our lounge and main bedroom, sanded and varnished wooden floors. On top of all this he has done numerous handy man tasks including fitting new doors, wall papering, put up light fittings and put mirrors and curtains up. Malcolm is a fantastic all rounder and we highly recommend him. **Customer in Slough, 14 June 2011**

#### New kitchen, new bathroom and some house alterations

10 / 10

I cannot recommend this company highly enough. It was very impressive how all the work was carried out so diligently in a very short space of time. I will certainly recommend to all my friends and family. The quote given was very reasonable for a brand new bathroom, new kitchen and all the extras. Unfortunately scores are 1-10, I will be more than happy to give this company 20. A big thank you to checktrade.Com and all the feedbacks given here. **Customer in Rickmansworth, 22 March 2011**
