The work was carried out timely and in a very professional manner from the beginning to the end. Kris has a direct and friendly approach. You can ask him to do what you like even if he doesn't agree with the style of the work. Good attention to detail and very good value for money. He just want to please the customer and to be rated to the maximum. That's why I give him 10! **Customer in Crawley, 24 May 2011**

#### Sorted out leaking shower

10 / 10

Kristian very kindly sorted out our shower which we had installed by another company not on check-a-trade. Not only did he fit a new shower, but found and repaired the leak, changed the damaged wall and floor tiles and charged a very reasonable price. He also repaired two leaking pipes in the downstairs toilet after my 16 year olds party! Many thanks and highly recommended! **Customer in Crawley, 18 March 2011**
