Redesigned whole garden 10 / 10

Steve and his lads redesigned the garden. They put in an amazing raised decking area with raised beds and turf. The lighting in the garden looks great. Very friendly team, would recommend **Customer in Worthing, 14 May 2012**

Garden maintenance and full maintenance to Garden Pond and filters 10 / 10

This work was carried out completely to my satisfaction and I have no doubts about recommending County Landscapes. They have done a great deal of work for me in the past few years including laying a large Indian sandstone patio and creating a raised brick pond with water feature and renovating and planting the majority of my garden, fencing and also laying a gravel driveway. They were efficient, punctual and polite and cleaned up each evening. **Customer in Barnham, 4 May 2012**

Redesign back garden, lay patio and paving 10 / 10

Have used this firm before. An excellent job, good quality materials and an excellent finish to all work. Sit clean and tidy at end of each day. The three lads worked very hard in difficult weather conditions but still kept cheerful. So pleased with work have booked them for a further job. **Customer in Worthing, 26 April 2012**
