Double Glazing to 3 bedroom house

10 / 10

Great windows, great installation, great price!! Michael from County windows provided a no-pressure quote that was extremely competitive, especially considering the number of windows, front door and French doors.

Having double glazing fitted is a messy job, but the fitters did their best to reduce the amount of mess by hoovering up at the end of each day. Fitters and Michael were very approachable, friendly and patient, and I would strongly recommend to anyone requiring double glazing or velux windows to get in touch with this company.

Thank you County Windows, great work, and my windows and doors look lovely, according to the neighbours! **Customer in London, 10 October 2011**
