Complete bathroom installation

10 / 10

We were very impressed with Carl from our initial contact to the completion of the work. We gave him a set of keys and were happy to leave him in the house. The work, including spotlights, extractor, wall tiling, flooring and installation of the suite and shower was completed on time and to a very high standard. We are very happy with our new bathroom and would not hesitate to use Carl again or to recommend him to others. **Customer in Hook, 22 March 2012**

Complete refit of bathroom

10 / 10

Carl did a very professional job and I am very pleased with the end result; my new bathroom looks fantastic. His quote was competitive and there were no nasty surprises with additional costs - only a small amount which was agreed in advance. Everything was left tidy at the end of the day and I would highly recommend CTW. **Customer in Basingstoke, 19 March 2012**

Removal of old bathroom fittings and replacing with new shower enclosure and sanitary ware. 10 / 10

Carl is an extremely pleasant young man - polite and very helpful with a happy and cheerful disposition. I would have no hesitation in recommending him - he's very honest and reliable - I was more than happy to leave him in the house and gave him a set of keys. He always locked up afterwards. I'm delighted with all he has done for me - the work was completed to a very high standard. Upon completion, he made a super job of tidying up and left the place spotless. **Customer in Hook, 23 February 2012**
