## Most Recent Customer Feedback

### Hung two doors and shaved base of another, replaces several door handles. 10 / 10

Very good **Customer in Teddington, 12 April 2012**

### Built fitted wardrobes; laid oak floor; made floating selves; made cupboard. 10 / 10

Anthony and Dan have basically helped me re build my house! Their work is of the highest quality and they work incredibly hard to get the job done. They also clean up after themselves and arrive on time as well as being lovely blokes. They have laid an oak floor; built fitted and slides wardrobes; built floating shelves and sidling cupboards; hung exterior and interior doors. I would recommend them to anyone. **Customer in West Molesey, 10 April 2012**

### Fit eleven doors 10 / 10

All doors fit properly, and open and shut perfectly, and they were very pleasant people to have working in my home. Any further carpentry work that needs doing will go straight to them. The cost was also acceptable. **Customer in Virginia Water, 27 January 2012**

### Outside front door surround 10 / 10

Garage doors jammed. Anthony did a great job. Doors opening perfectly now. **Customer in Staines, 20 December 2011**
