One room plastered, walls and ceiling

10 / 10

Darren was very punctual and polite and did not have a problem with some of the issues like the radiators. We asked and took his advice on what to do about skirting boards. He worked a Saturday which helped us. Darren is very friendly and it was a pleasure to have him round for a couple of days. He was tidy, worked hard and did a fantastic job of the room and we were very happy with the results. I would definitely recommend him and use his services again **Customer in Worcester Park, 23 May 2012**

Skimming the walls and ceiling of a double bedroom

10 / 10

Darren is an excellent plasterer. He is very professional, punctual, clean/tidy, polite and trustworthy. My bedroom walls and ceiling were skimmed and now look great. I am extremely pleased with the results. The quote provided was competitive and the price I paid for an excellent job. I have no hesitation in recommending Darren to others and scoring Darren a '10' on all aspects of his work. I'll definitely use Darren again should I require a skilled plasterer in the future. Highly recommended. **Customer in Sutton, 25 April 2012**

Pebble dashing front and rear of house

10 / 10

Darren is excellent and I would definitely use him again. His workmanship is fantastic. At every instance from quoting to doing the work he was punctual and followed through with his promises. He helpfully identified some small additional areas for improvement (e.g. Changing downpipes) which did not cost a lot more but would make the overall appearance of the house look better - he did not try and "sell" these ideas, but we took him up on them. He is a very amiable guy as well, and left everything immaculately clean and tidy. **Customer in London, 31 March 2012**
