Replaster and skim living room including ceiling and Fireplace 10 / 10

An excellent job. The room looks great. Work was done in the time estimated and at the price quoted and they were tidy whilst working. Dave and Martin were friendly and very hardworking. Would definitely recommend. **Customer in Caterham, 27 April 2012**

Re-plastered bedroom ceiling 10 / 10

David and Martin did a great job with out fallen ceiling. They were punctual, removed all rubbish generated from the removal of the old ceiling, and ensured our house was kept neat at all times. The finished ceiling was excellent and completed on the same day as stated. I would not hesitate to recommend them and would definitely use them for future work **Customer in Wallington, 21 April 2012**

Replaster walls in main bedroom 10 / 10

Dave was happy to come round and price up the job on the day I contacted him, he was very honest, came across completely professional and provided a competitive quote. On the day of the job Dave and his colleague turned up at the agreed time and worked continuously throughout the day. The walls were finished to an excellent standard and we have already booked him for another job. Highly impressed with the service received and would definitely recommend him to anyone looking for a plasterer. **Customer in Coulsdon, 19 April 2012**
