Side kitchen extension.

Very clean, tidy and polite. Always discussed any additional costs prior to work being completed. Considerate builders, would definitely recommend. **Customer in Hants, 3 March 2012**

Repaired external and internal brickwork in second floor flat after an old boiler was removed. 10 / 10

We needed assistance to make good an old flue hole left after the removal of a rather antiquated boiler, to make the job more awkward it was on a 2nd floor flat, despite this they made a sterling effort and we were very impressed. **Customer in Reading, 1 March 2012**

Remedial work to make property safe after rogue builder

10 / 10

Dean is brilliant! Very good builder and also a very kind man. In the middle of 2011 a rogue builder wrecked my property and made it unsafe, unsound and uninhabitable. I was at my wits end. I didn't have the money to fix my home, I still don't, but Dean came in and assessed what needed to be done to stop the property deteriorating any further. For a reasonable fee he did all that he could to make it safe. I'm still a long way away from being able to go home, but at least I know it's not going to actually fall down now. Recommend Dean very highly! **Customer in Fleet, 30 January 2012**

4 Vent Tiles fitted in roof

10 / 10

We were extremely pleased with the work carried out by Mr. Drury and his colleague. They were efficient, pleasant, and most professional. We would have no hesitation in recommending him to family and friends. He was recommended to us by our daughter who found him on Checkatrade. You are doing a great job, and giving the public confidence to choose the right company. Thank you. **Customer in Farnham, 23 November 2011**
