Tiling floors in kitchen and utility room and walls in the kitchen

10 / 10

We are extremely happy with Darren's standard of tiling. He tiled our floors with rectified porcelain tiles and his work was of a high standard and very neat. He cleans the tiles as he goes along in order to avoid adhesive residues thus making it quick and easy to clean and seal the porcelain tiles. He also did my kitchen walls which were neatly finished with a tile trim along the edges. Darren is a very polite and friendly chap who is very professional at his job. I would highly recommend him to everybody and would be very happy to ask him to do further tiling jobs in the future. **Customer in Fleet, 10 May 2012**

Floor and wall tiling in kitchen

A rapid visit after our initial call, during which we were provided with sound advice, was followed up with a competitive quote. Darren proved to be reliable, his work was very neat...a perfectionist, he was tidy...clearing everything up after him and nothing was too much trouble. He is a first-class craftsman who was intent on providing a top quality service. Excellent - we would thoroughly recommend him to anyone! **Customer in Fleet, 14 April 2012**

Full tiling of roughly a 2m x 2m bathroom

10 / 10

Darren provided a quote quite quickly after I made the initial request. He was willing to come out to check the bathroom was ready to tile a few days before the installation work. He was very timely over the 2 1/2 days here. He definitely has pride in his work and a very positive can-do attitude. The work presented a few issues but he said he would find a way to sort it and he did. We are very pleased with the quality of his work and would have no hesitation in recommending to anyone. **Customer in Fleet, 10 October 2011**
