The engineer was at my home less than an hour after my initial phone call. Excellent service. **Customer in Eastleigh, 3 January 2012**

Installed free sat in multiple rooms

I called D J Satellites on Thursday, they booked an appointment for Monday to come and see me, they arrived when they said they would and carried out the job there and then. I didn't know what solution I wanted (just knew I wanted digital signal in multi rooms) and they guided me to a solution which, in my opinion, was the right one given the poor signal in my area. They were extremely friendly, by no means intimidating (me being a single female) and very tidy, asking for the Hoover to tidy as they went along. The job took just under 2 hours to install freesat in 5 rooms. I would highly recommend them. Thank you for a great job. **Customer in Eastleigh, 28 November 2011**

Installed new Aerial and ran Extension

Very neat and tidy. Arranged for Quote very quickly and carried out work in quick timescales which was perfect as we had no TV signal. **Customer in Southampton, 20 October 2011**
