### Most Recent Customer Feedback

#### Conversion of internal garage to living accommodation

10 / 10

I was recommended to Dean and found him to be completely reliable and a pleasure to have on site. He was also keen to provide advice on how best to maximise insulation a key element of this project. **Customer in Poole, 30 June 2011**

#### Internal structural alterations supporting beams and ceilings.

9 / 10

Joint tasks builder and me. Builder was very helpful and very easy to work with. I would recommend this company. **Customer in Bristol, 19 May 2011**

#### Build new extensions foundation, walls and floors.

8.3 / 10

Well organised and adaptable to changes requested part way through build, At reasonable cost increase. I would recommend this company. **Customer in Bristol, 27 April 2011**

#### Footings - brick work to DPC - over sight.

10 / 10

Despite unexpected, complex (extra) drains, "problems" solved without loss of space, on time and within budget. The inspector had no hesitation in passing the work. **Customer in Poole, 13 August 2010**

#### Extension, internal and garden works.

10 / 10

Every job they undertook was carried out with the customers lifestyle in mind. They are polite, friendly, trustworthy and always clean up after themselves. My work is still ongoing, but I would recommend them to anyone who was thinking of having any type of work done. They are forever offering advice on how the customer can save money e.g. re-using doors etc. I cannot give Dean and his team a higher recommendation.

**Customer in Poole, 16 July 2010**
