#### Redecoration of Hall, Landing and Stairs

Initially had ceiling skimmed and coved - excellent clean job by plasterer sourced by DRL (Mark?). Daniel Law and Ben arrived promptly on the first day of the job, confirming exactly what was to be undertaken, and set to filling in gaps/knocks/scrapes etc, before further preparing all surfaces, mist coating fresh plaster work, and applying first coat of emulsion on remaining ceilings. They continued to arrive promptly each morning, and worked methodically, adding further coat of emulsion to all ceiling areas, vinyl silk to most walls, satinwood to all woodwork, and wallpapering stairwell wall. The wallpapering is superb, with Daniel taking considerable effort to ensure no 'part pattern' appeared at the joint

between wall and coving. The overall job took 5 days, as estimated, with Daniel and Ben leaving the area fully tidied and vacuumed each evening. Would I use DRL again? Without a shadow of a doubt. Would I recommend DRL? Most definitely. Job well done! **Customer in Fareham, 25 March 2011**
