Hanging of 5 Internal Doors

10 / 10

Dan did a fantastic job hanging 5 new internal doors and fitting handles and hinges. The quality of service was excellent - extremely professional and tidy and the quality of finish is of a very high standard. I would have no hesitation in recommending Dan and would definitely use his services in the future. **Customer in Bournemouth, 24 January 2012**

Built in wardrobes, drawers and vanity unit

10 / 10

I wish every tradesperson I dealt with was like Dan! His work is excellent, top quality and he is efficient, tidy and a lovely person to deal with all round. I was having extensive refurb work done on my house and Dan was happy to work with our builder and fit in with the timescales he asked for - even around Christmas. I was nervous about how the product was going to look as it was much cheaper than another quote I'd received but I shouldn't have worried as the finish and quality are exceptional and far exceed my expectations. Thank you Dan for a great job well done! **Customer in Bournemouth, 10 January 2012**
