### Most Recent Customer Feedback

#### Roof check prior to house purchase

10 / 10

I phoned David Turner to ask about some things to do with the roof that had come up during our survey for a property we are buying. He was very honest about the fact that in his opinion most likely nothing needed doing but agreed to look at the property anyway, which he did, and reported back on very quickly. I would definitely trust him to do work for us in the future. **Customer in Kingston upon Thames, 1 April 2012**

Excellent, really nice team, efficient and helped me out a great deal by repairing squirrel damage!! Even repaired my front path with left over cement and hoovered my landing and stairs when roof rebris vcame through loft hatch. Dave was recommended to me and I have no hesitation recommending him to you. **Customer in Hampton, 19 March 2012**

#### Repairs to flat roof

10 / 10

Very happy with work done by Dave and his brother on a leaking large flat roof. Came to give a quote quickly, knowledgeable and gave advice about a separate roof problem! Reasonably priced as well. Very communicative and kept me up-to-date with progress throughout, as well as providing digital photos of the roof before, during and after the work. **Customer in Sunbury-on-Thames, 24 February 2012**
